

# Karapoti Hall of Fame

As the Southern Hemisphere's longest running mtb event, Karapoti's podium history reads like a who's-who of mtb history.

| 1986                                                                                                                                                                                                                             | 1987                                                                                                                                                                                                                         | 1988                                                                                                                                                                                                                       | 1989                                                                                                                                                                                                                       | 1990                                                                                                                                                                                                                     |

Anton Cooper used Karapoti victories as a spring-board to world & Commonwealth titles.

Kathy Lynch took a record eight Karapoti wins while ranked in the world's top-10.
