

Number Plates Instructions

- ❖ You will be issued a number plate similar to below.
- ❖ On the rear of the number plate is an electronic timing strip. Do not tamper with this in any way.
- ❖ Attach your number plate to your cables in front of the handlebars, using the cable ties provided.
- ❖ Do not attach it to the handlebars. This may cause interference with the electronic timing strip.
- ❖ The number plate and timing strip do not have to be returned.
